ber. The subject suggests great possibili-ties, and the book will be awaited with

The dramatization of "Dorothy Vernon of Haddon Hail" (MacMillan) is having the fin-ishing touch put to it by the author, Chas. Major, and the dramatist, Mr. James Mc-

Major, and the dramatist, Mr. James McArthur. Mr. McArthur, it will be remembered, was the dramatist of "The Bonny
Brier Bush." He was for many years the
editor of the Bookman and is at present
one of Harper & Brothers literary advisers.
Mr. Charles Frohmann is arranging for the
production of the play and the announcement of the leading roles may be made at
any moment. "Dorothy Vernon" is on all
the book lists as one of the two or three
most popular novels of the day, and Mr.
Frohmann expects to produce a play which
will have fully as successful a run as
"When Knighthood Was in Flower."

much interest.

the United States.

readers for "Mrs. Wiggs."

one to command the attention of

They make no claim upon the great throng. They establish their standards gardless of criticism, continue on their selfhesen paths to distinction. Henry James is probably envied by the

hundreds of writers who wish to reap lit-erary honors. Yet the average reader will wonder why this should be so after he has rend the lest product of Mr. James, "The Wings of the Dove." The two volumes are representative of the extreme to which writers of the Howells-James school can go when driven by the smarting desire to desiccate words, feelings and society. If Henry James is known twenty-five years hence-a possibility, though not a probability-it will be for two things, his delicacy of coloring and his style. The one appeals to the better nature of every read-er, the other discourages the natural incli-

nation to assume the author's objective. In "The Wings of the Dove" Mr. James has reached the summit of his so-called deiloacy. There is not a character, a speech of a situation which is not minutely described. The minutae of the action is all-prevailing If Kate Croy, unhappy girl that she is, steps across the street, there is not a. thought or a movement which is not chron-icled. If Merton Densher, her lover, spends five minutes with the girl, the author uses every available side light to aid the reader in realizing the importance of the occasion

to each of the actors. Necessarily the novel becomes a character study. There is a plot, but a poor one. Though it is true that portraiture is the true test of the novelist, it should be that picture painting which Dickens has impressed upon literature. His Micawber, Oliver Twist or Sam Weller will not die, because they are simple folk with fraitles common to all of us. Dickens outlined them

Not so with the Kate, Maude, Milly and Not so with the Kate, Maude, Milly and Susie of Henry James. Instead of presenting them clearly, they are wrapped in such mysticism and perversences that impatience thoughtful readers. follows better acquaintance. They do things in ordinary life which are unnatural. At that, they are men and women who leave no unworthy thoughts with the reader. If they have any influence at all, it is for the pany, we have a book that is distinctly

local, inesmuch as the author, illustrator and publisher all belong to St. Louis. The Mr. James has become known as the standard-bearer of the impossible in Engauthor, indeed, calls her story a World's Fair book, and it is of a genuinely good lish. The following is the most passionate climax in the two volumes: "They were still closely face to face, and, yielding to quality, which promises a deserved ruc-cess. The story is written for children and tells of child life on a Florida orange planthe impulse to which he had not yielded

ARCHER BUTLER HULBERT. Author of "The Queen of Quelparte."

just before, he laid his hands on her shoulders, held her hard a minute and shook her a little, far from tenderly, as if in expression of more mingled feelings, all difficult, than he could speak. Then, bending, he applied his lips to her check. He fell, after applied his lips to her cheek. He fell, after this, away for an instant, resuming his unrest, while she kept the position in which, all passive and as a statue, she had taken his demonstration. It didn't prevent her, however, from offering him, as if for what she had had was enough for the moment, a she had had was enough for the moment, a design and the bearing of evolutionary doctors and the bearing of evolutionary doctors. further indulgence. She made a quiet, lucid connection and, as she made it, sat down

This chilling drivel explains why Mr. James will never be popular-even with those to whom he appeals. He knows nothing of warm blood. His characters are su-

perciliously critical and artificial.

Despite the barriers which Mr. James has raised, "The Wings of the Dove" has a plot. The efforts of Kate Croy and Merton Densher to circumvent the restrictions imposed by a worldly aunt who is interested in securing a great future for her niece makes a foundation for a story which is worth while.

"The Wings of the Dove," by Henry James. Published by Charles Scribber's Sons, New York.

Other New Books.

"New France and New England," by the late John Fiske, published to-day by Houghton, Mifflin & Co., Boston and New the most important publications of the year. It is especially notable and valuable as adquence of books deveted to American history, this latest contribution succeeding Mr. Fiske's "The Dutch and Quaker Colonies in America," which itself came next in order after "The beginnings of New England." Thus the story of the settlement and development of the colonies is completed up to the point where Mr. Fiske's "American Revolution" takes up the narrative, the whole constituting an historical the first importance. That this latest and final volume will receive the keenest atten-tion from critics and the reading public is an assured fact and it will well repay such attention. The scope of "New France and New England" was outlined by the author in his preface to "The Dutch and Quaker Colonies in America." It deals with the rise and fall of New France and the de-velopment of the English colonies and comes down to the year 1755. The story is intensely interesting, told in the author's accustomed graphic and vigorous manner, and satisfies alike the demands of the student and of the general reader.

nam's Sons, New York and London, comes this week Mr. L. Parry Truscott's delicate and fanciful "The Poet and Penelope," a book that cannot fall to delight all lovers of graceful comedy. This beautiful little love story is told in a manner that revenis a red, and will be addressed to all worshipers master touch, and its delineation of charmaster touch, and its delineation of char-acter is amexing for so light a romance. Especially is there a sureness in developing the respective individualities of the hero and which makes their figures memorable in the reader's mind. Mr. Truscott is a lit-erary artist of very high quality indeed.

Persons who relish detective stories and romances of mysterious crimes-and such persons are in the vast majority-will en-toy "The House Opposite," by Elizabeth joy "The House Opposite," by Elizabeth Kent (G. P. Putnam's Sons), which consti-

A Cure for Asthma

The worst cases of Asthma in the world succumb readily to the one great cure that never falls. Dr. Rudolph Schiffmann's Asthma Cure almost performs miracles.

Mr. R. M. Spencer, 2380 Vermont avenue, Toledo, O., says: "Asthma has been growing on me for 3 years, until last summer the attacks became so severe that many nights I spent half the time gasping for breath. Doctors seemed to give no relief whatever, and I felt there was no hope for me, when a drug clerk recommended your Asthma Cure. Its effect is truly magical and gives complete relief in from 2 to 5 minutes."

Harper & Brothers published on September & a new novel by Margaret Horton Potter, author of "The House of de Mailly." Miss Potter has taken her plot from ancient history, and places the scenes in Babylon, long before the advent of Christianity. Intar is a goddess who comes to earth to live the daily life of a mortal woman. She is loved by Belshauser, the King's son, and Sold by all druggists at 50c and \$1.00. Send 2c stamp to Dr. R. Schiffmann, Box 803, St. Paul, Minn., for a free sample package.

about this situation the author has woven a story of impressive force.

The latest issue in The Macmillan Com-pany's English Men of Letters series is pany's English Men of Letters series is Frederick Harrison's biography of Ruskin. Among the other volumes on the press for early publication in the series are: "Tennyson," by Alfred Lyall; "Jane Austen," by H. C. Beeching; "Crabbe," by Alfred Ainger; "Hobbes," by Sir Leslie Stephen; "Browning," by G. K. Chesterton; "Publication" by Austin Dobson: "James "Richardson," by Austin Dobson; "James "Richardson," by Austin Dosson; Sames Russell Lowell," by Henry Van Dyke; "Ralph Waldo Emerson," by George Ed-ward Woodberry; "Benjamin Franklin," by Owen Wister; "Mathew Arnold," by Her-bert W. Paul; "Whittler," by Thomas Wentworth Higginson. Miss Louise Forsslund, whose new novel,

"The Ship of Dreams," is just published by the Harpers, had an interesting ex-

perience with her first novel, "The Story of Sarah." In the first place, the book was the young author's initial attempt at a long story, and she spent three years writing it. Then followed eight weary months in which she endeavored to find a publisher. The first one rejected it; the second likewise; and so on through five dismal tutes one in the "Hudson Library" of good fiction by authors from both sides of the rejections. The sixth refused even to examine it, saying he was too busy. The Atlantic. The plot of the story is thrilling. Its interest and mystery sustained until the end, there is plenty of action and the style of narration is spirited and strong. seventh publisher accepted it, and the book proved a big success. Now comes this author's second book, "The Ship of Dreams," showing a striking advance in power and charm over her first, and dealby Orlando J. Smith (Houghton, Mifflin & Co.), is a stimulating argument for the preing with that part of our country and people its author knows best, Long Island

and its native folk, The Century Magazine is about to print a series of articles by Professor Justin H. Smith of Dartmouth College, author of "The Troubadour at Home," covering the story of the Canadian campaigns of Montgomery and Arnold in the first year of the Revolutionary War-what the author calls "The Prologue of the American Revolution." Professor Smith has undertaken to do his work so far as possible, from original sources of information, and he has personally gone over the routes of Montgomery's troops from New York to Quebec, and Arnoid's from Boston to the same point. He has given special attention to Arnold's expedition through the Maine woods.

The first article, which will appear in the November Century, covers Monigomery's Montreal campaign. All of the papers will
